

7th Tradition Donations During COVID-19

July 12, 2020

Dear Fellow Al-Anon Members,

The total monthly expense for District 19 is approximately \$40.00 – for yellow pages ad, the meeting info line and the Zoom account. The District has a good prudent reserve.

However, 8 of the 10 current Zoom AFG meetings have no way to collect any kind of 7th tradition. For those who have not already done so, please consider sending a small amount – even a few dollars – for our ongoing expenses. This will also help to add to a reserve that can be partially provided back to individual groups – when District 19 groups are more fully able to conduct physical meetings again. In other words, a meaningful portion of your donation will go back to the groups. Additionally, most local meetings still support both the Regional and World Service Al-Anon organizations.

Please make a note which meeting your donations are meant to go to, if so desired. If no note is given, it will be assumed your donation will be for the general District 19 fund – for the support of all local meetings, our outreach efforts and the support of SIAFG and the World Service Organization.

Thank you for your kind consideration!
